DISCONTINUANCE REQUEST FORM

I, _____, hereby request that my water service at account number _____ located at _____, be disconnected from Little Hope-Moore Water Supply Corporation service and that my membership will be applied to my final balance. If there is still a balance due after this transaction I will receive a statement for that final amount. If there is over payment, there will be a refund check send to the addressee below.

I understand that if I should ever want my service reinstated I will have to reapply for service as a new member, and I will have to pay all costs as indicated in the then current copy of the Little Hope-Moore Water Supply Corporation Tariff. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require capital improvements to deliver adequate service. I further represent to the Corporation that my family joins me in this request, and I am authorized to execute this Request for Service Discontinuance on behalf of my family.
